How to access eOffice?

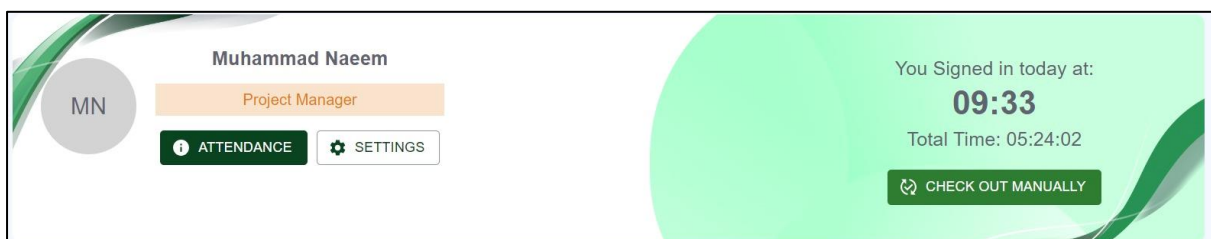

1. Launch your web browser, such as Google Chrome or Microsoft Edge. Enter the following URL in the address bar: <http://124.109.32.174:8090/> and press Enter.

Login

2. **User Name:** Official Email or Cell Number
3. **Password:** 123@a123.
4. Select the "**LOGIN**" option to proceed.

Welcome Screen

5. The dashboard displays the following information:
 - a. Your office arrival time

- b. Choice to access the attendance record
- c. Settings feature for accessing the profile and modifying the password.
- d. Leaves record

Change Password

6. Select the "**Settings**" button to modify the default password.
7. Select **Password** tab.
 - a. Input your current password in **Old Password** field.
 - b. Input your **New Password** and confirm it by entering the same password in the **Confirm Password** field.
8. Select the "**UPDATE PASSWORD**" option to implement the password change.

Recently submitted leaves will be visible in the "**PENDING LEAVES**" tab. Approved and rejected leaves can also be reviewed in their respective tabs.

How can you provide feedback, report a bug, or make a suggestion?

If you encounter any bugs or have suggestions for system improvement, kindly use the provided format for documentation. Ensure to obtain approval from your reporting officer before sharing it with the IT team:

Reason for Feedback/Issue	Suggestion			
Description of Feedback/Issue	I observed that Family details are missing in Employee Information Module which will be beneficial for Health Insurance purpose.
